Our museums are full of things that really excite children (and adults) and our facilitator sessions, using real artefacts and specimens, are designed to enrich and enhance children’s learning.

We wish to recruit inspirational Museum Learning Facilitators to deliver these sessions.

You will be able to demonstrate a passion for museum learning and have experience of engaging and inspiring children in a learning environment. If you have a customer-focused approach to providing a positive and safe learning experience for children, you should apply for this opportunity.
