About the trust

Hampshire Cultural Trust was established in 2014 to promote Hampshire as a great cultural county, and our vision is to be renowned for creating world-class cultural experiences that enrich and transform lives. We manage and support 26 arts and museums attractions across Hampshire and deliver county-wide outreach programmes that bring great culture to local communities. We also deliver a diverse range of wider social impact initiatives targeted at those who are most vulnerable or disadvantaged and who would not usually have access to arts and culture.
