About the trust

Hampshire Cultural Trust is as an independent and energetic charity, established in 2014 to promote Hampshire as a county that offers outstanding cultural experiences to both its residents and visitors. From museums to galleries to arts centres, we manage and support 23 attractions across the county that were previously operated by Hampshire County Council and Winchester City Council.

We run a huge variety of workshops, classes, events and projects for both young and old, in schools and in communities, with particular emphasis on reaching people who are vulnerable or disadvantaged and would not normally be able to access arts and culture. In addition, we care for 2.5 million objects that relate to Hampshire's rich and internationally important cultural heritage.
