

Save the Animals

By Finley Webster

Save the tiger so it can scratch.

Save the hippo so it can swim.

Save the leopard so it can climb.

Save the whale so it can dive.

Save the eagles so they can fly.

Save the gecko so they can stick.

Save the fish so they can flop.

Save the eels so they can electrocute.

Save the giraffe so it can munch.

Save the monkey so it can swing.

Save the wild pig so it can oink.

Save the lion so it can roar!
