

Riddles – The Gallery of Childhood (One per Group)

We are going to read some riddles. A riddle describes something without actually telling us what it is or its name, we need to guess.

Each riddle describes a toy in the Gallery of Childhood. Once we have read a riddle we need to try and find the right toy.

1

We're a family of sisters
All made out of wood
We sit in a row
And try to be good!

Answer:

2

We're a group of small
people
With horses to ride
From the west of America
We fight side by side

Answer:

3

With wheels, screws and
bolts
And long metal bars
You can use me to make
Cranes, engines or cars

4

With pedals and wheels
A bonnet and seat
You need to sit in me
To have a great treat

Answer:

5

I'm brown, big and furry
But now I'm too old
To growl and be cuddled
And do what I'm told

Answer:

6

I'm a horse with a mane of
wool
A body with wheels to pull
Use me to play all of the
day
A ride is good fun, never
dull

Answer:

7

You may have a new one
But not dressed like me
I'm off to a wedding
As you can see

Answer:

8

I'm bouncy and orange
With a smile on my face
You can hop on me
And win a race

Decorate a Pot (One per pupil)

If you look closely at the pottery you can see some patterns which have been drawn on. What patterns could you create if you were making your own pot?

Have a go at creating your own patterns for the pot below. There are also some examples of patterns you might like to use at the bottom of the page.

The Saxon Buckle (One per pupil)

Below we can see a picture of a Saxon warrior, however he is missing his buckle. Have a go at sketching the Alton Buckle onto the warrior- where would it be placed?

Once you have added the buckle you can colour in the warrior, adding any extra items which you think he might have owned.

My warrior is called:
